No C. 2457 d. 3.4.28

Recommends the grant of an allowance of Rs. 100 to the Special Supdt. of Police, K. G. F.

Mr. S. Narayana Rao was posted as Special Supdt. of Police, K.G.F, on his grade pay as Asst. Comr., on the retirement of Mr. S. M. Pritchard, who was holding the post for many years on a special personal pay of 500-50-800 (At the time of retirement he was drawing Rs 800 + P.A. 100).

Prior to 1922, the Supdt. of Police (as also other offrs on the K.G.F.) was getting a local allowance of Rs 100. In G.O. no. Ft. 411-60/Sd A. 7-22-1 d. 18th July 1922, the allowances given to all the offrs on the K.G.F. were withdrawn on the recommendation of the Special Finance Committee, on the ground that the K.G.F was not more "expensive" than many other parts of the State.

The grounds on which the grant of allowance is now urged (apart from costliness of living), are the following:-

(i) The Fields are a scattered area and the officer has to tour about for 30 miles a day & has to maintain a car. He gets no T.A as the journeys are considered to be at "headquarters"

(ii) When Mr. C. Machin was appointed to act as special D.S.P (Vice Mr. Pritchard on leave) in 1928 he was given an acting allowance calculated on a pay of Rs 500 and in addition drew the local allowance then attached to the post.

(iii) The Supdt. of Police, Bangalore City & Taluk is allowed a special allowance of Rs 150 & work on the City is analogous to that on K.G.F.

Re: (iii) it is submitted that the officer ~~does~~ not get any T.A. for travelling in the Taluk also. The allowance is however given to "enable him to maintain a motor car as well as a horse". For the K.G.F. a lower allowance Rs 100 is proposed however.

It is also submd. that the A.S.P. on the K.G.F. detective staff appears to get a 'duty allowance' of Rs 75/- but that post seems to be a special one the cost of which is met by contribution from the Mining Board.

The question of granting a local allowance to the Special Superintendent of Police, Kolar Gold Fields was considered by Government about 2 years ago and the Council decided that the question might lie over.

The representation has now been renewed. The fresh grounds urged for it are, that the officer has to maintain a car to move about on the Fields for nearly 30 miles a day without getting any T.A. and that his case is similar to that of the Superintendent of Police, Bangalore City and Taluk who is given a consolidated allowance of Rs 150/-.

There is another repressentation in the linked file made on behalf of the Special Magistrate, Mr.V.Vedavyasachar for the grant of a special allowance of Rs 100/- .

The chief reason for the recommendation in both these cases is the expensiveness of the place as the officers are supposed to be required to maintain a certain standard of living residing as they do in the midst of European population and in close contact with highly paid officers of the Mining Companies..

These considerations were fully taken note of when the Special Finance Committee recommended the abolition of the local allowance for officers on duty in the Kolar Gold Fields, and Government accepted the Committee's recommendation in the order of 18th July 1922.

Whatever may be reasons urged for the revival of the allowances in favour of the Super-

Superintendent of Police, Kolar Gold Fields and the Special Magistrate, one important point will have to be noted and that is, the grant of a special allowance to these two officers will invite applications from other officers on the fields.

The Deputy Commissioner was in receipt of an allowance of Rs 150/- prior to 1922. He has ~~already~~ urged that in view of his continuously long stay at the Fields for discharging his duties as Commissioner of the Workmens' Compensation Act, ~~that~~ an allowance may be given to him.

Though in the Government Order of 18th July 1922, the allowances of officers of the Mining Department were allowed to be continued in view of the specially arduous nature of the duties entrusted to these officers of the Fields, Government subsequently decided that there was no justification to continue these ~~special~~ allowances too. Except Mr.Bocquet who draws a duty allowance on personal grounds, no officer of the Mining Department is in receipt of any special allowance now.

The Budget position is one of deficit. The annual revenues are in-sufficient to meet the expenditure at the present level. The Establishment charges are growing. As the grant of any special allowances to the two officers recommended will possibly commit Government for further recurring expenditure I have to urge on general financial grounds that the proposal should not be accepted.

I am sorry I have held up the two files owing to pressure of Budget and other work.

I doubt think that the K.S.P. is a more Expensive place than Bangalore. Another point to be taken into consideration is that both these Offrs have been given free quarters

The D.S.P. is Heliconia charge of Kumbakonam Bannerghet Taluk. Under certain circumstances Inspectors do, for work I think receive no allowance. I think a house allow of Rs 30 may properly be given.

The Mysore has also certain amount of inspectors in his capacity as V.P. of the Taluk Bd. This can be a house allowance Rs 30 We paid the Taluk Bd would I think be appropriate.

It appears to me that the "Inspector" of the Superintendent Bangalore, is capable of reduction

Submitted to His Highness.

The accompanying papers relate to the question of granting allowances to the Special Magistrate and the Special Superintendent of Police, Kolar Gold Fields.

Prior to 1922, these officers were in receipt of local allowances of Rs.150 and Rs.100 per mensem respectively. By a general order issued in July 1922, on the recommendation of the Special Finance Committee, all allowances that were being given to various officers on the Kolar Gold Fields on the ground of expensiveness of the locality were withdrawn. The Superintendent of Police and the Magistrate have now urged some special grounds for enhancement of their emoluments and their claims have been strongly supported by the Inspector General of Police and the District Magistrate.

x

T & U

V & W

The Special Magistrate has been entrusted with additional duties as Vice-President of the Sanitary Board (with 84 villages) and Income-tax officer. He has to maintain a car and do considerable amount of inspection work but he cannot earn any travelling allowance as the majority of the villages are situated within the 5 mile radius. In view of these circumstances the District Magistrate recommends the grant of an allowance of Rs.100 per mensem to the Magistrate.

The Fields are scattered over a wide area and the Inspector General of Police states that the Superintendent of Police also has to move about for nearly 30 miles a day and maintain a car, without getting anything in the shape of travelling allowance. The Superintendent of Police, Bangalore City and Taluk has been given a Duty Allowance of Rs.150/- per mensem. The Deputy Commissioner, Kolar and the Inspector General of Police recommend that the Superintendent of Police, Kolar Gold Fields may be given an allowance of Rs.100/- per mensem.

Page 7 of Office Note X Z

In view of the foregoing circumstances the Members of Council and the Dewan are of opinion that both the Special Magistrate and the Superintendent of Police, Kolar Gold Fields may be given a local allowance of Rs.50/- each, and that the allowance granted to the Superintendent of Police of Bangalore City and Taluk may be reduced from Rs.150/- to Rs.100/-, the reduction coming into effect on a change of incumbents.

The above proposals may be graciously approved.

Sir,

CB 65-27-1 B

In forwarding herewith the application of Mr.S.Narayana Rao, Special Superintendent of Police, Kolar Gold Fields praying for the grant of a local allowance of Rs.150/-, I have the honour to state that the position of the Superintendent of Police at Kolar Gold Fields is different in many respects to that of other Superintendents of Police, Kolar Gold Field is a very costly place and the officer has to maintain a car to move about on the field for nearly 30 miles a day without getting anything in the shape of T.A. as it is considered as journey at the Head Quarter itself.

2. It may be mentioned here that Government in their order No.330/C.B.215-20-2 dated 19-7-1921 granted an acting allowance calculated on Rs.500/- together with the local allowance attached to the post to Mr.Machia, when he was appointed as officiating Superintendent of Police, Kolar Gold Field Vice Mr.S.M.Pritchard granted 9 months furlough. Government were also pleased to sanction in their order No.P.1837-8 Pol.46-28-3 dated 25-9-1928 a consolidated allowance of Rs.150/- to the Superintendent of Police, Bangalore City and Taluk. Kolar Gold Field is similar to that of Bangalore City and Taluk. The Deputy Commissioner recommends the grant of an allowance of Rs.100/- to him.

3. In these circumstances, I recommend the grant of a -

consolidated allowance of Rs.100/- to the District Superintendent of Police, Kolar Gold Field as recommended by the Deputy Commissioner.

I have the honour to be,
Sir,
Your most obedient servant,

Inspector General of Police.

Through

A.V.Ramanathan Esq, BA.,
Deputy Commissioner,
Kolar District.

Sir,

In continuation of my application NO:C.C.39/28-29 of the 30th October 1928 explaining at length the circumstances justifying the grant to me of the Special grade of this office or in the alterntive, a suitable allowance and requesting you to recommend my case to Government, I have the honour to state that no orders have been passed in the matter and to request therefore that my hard case may again be pressed before Govt and favourable orders obtained. I have been finding it more and more difficult to keep up my position here without some allowance atleast and if no relief is given to me I am afraid that my position, financially, may become more difficult still for no fault of mine.

2. I have already placed before you all the aspects of the case and explained to you the several ways in which the want of some extra remuneration has affected me but I crave your permission to reiterate that in the absence of the special grade or some allowance, I am in a decidedly worse position financially than any of the other Superintendents in

in the Department. Most of my iteneration is either on the Field itself or within a short radius therefrom for which I get no travelling allowance . Though it is hardly two years since I purchased my car, I have covered 15000 miles in it, a mileage worthy of a provincial officer! I have borrowed money and purchased it and without any return from it my position at the end of three years when it ceases to be quite useful may easily be imagined. The Field is an extensive and a scattered area and as I have been personally looking into all important work my average mileage has exceeded 20 miles per day. All this means a monthly expenditure of ~~xxxxxxxxxxxxxxxxxx~~ about as 150/- and the travelling allowance I get now does not cover even a third of this expenditure. You are aware that a Supdt in the Districts gets ateast a travelling allowance of Rs 150/- per month against more or less the same expenditure. It is thus clear that the absence of an extra remuneration either by way of a special grade or an allowance is tantamount to a reduction in my grade pay to the extent of the expenditure I have to incur on my conveyance and other items peculiar to this place. I leave it to be judged if I deserve such a reduction.

3. This anamoly, if I may be permitted to call it so, has been apparently recognized in the case of the Supdt of Police, Bangalore city and Taluk, who ahs been given a consolidated allowance of Rs 150/- per month. As my case is similar to his, I pray that I may also be kindly given a like allowance.

4. My case is a peculiarly hard one and the grant of an allowance to me could not be considered as an anology by other officers. Even if it be considered as affording a precedent I venture to suggest that if the special grade is given or a conveyance allowance sanctioned in view of the extensive itine-ration, no such difficulty will arise.

5. I have been trying to do the fullest possible justice to my work, not minding the financial handicap I have explained above and I can only hope that the unfavourable posi-tion I am in, as compared with the other Supdts, will be reali-zed and some relief given to me. I have no hesitation in repre-senting that I have been hard pressed financially since

since going over here on account of the extra expenditure incidental to this appointment and as I have had to meet the extra expenditure from my grade pay, I am feeling that there has been actually a reduction in my pay. If some allowance is sanctioned, this anamoly will have been removed.

I have the honour to be,

Sir,

Your most obedient servant,

S. [illegible]

Government Order No.Fl.411-60/S.&A. 7-22-1 dated 18th July 1922 directing among other things the abolition of the local allowances that were attached to the posts of Special Magistrate and Special Superintendent of Police on the Kolar Gold Fields.

2. Government Order No.P.1837-8/Pol. 46-28-3 dated 25th September 1928 sanctioning a consolidated allowance of Rs.150/- to the Superintendent of Police Bangalore City and Taluk.

3. Letter No.C.2457 dated 3rd April 1929 from the Inspector General of Police in Mysore recommending that in view of the special circumstances represented an allowance of Rs.100/- may be granted to the Superintendent of Police, Kolar Gold Fields.

4. Letter No.C.R.540 dated 3rd April 1929 from the Deputy Commissioner, Kolar District recommending that for reasons stated an allowance of Rs.100/- may be sanctioned in the case of the Special Magistrate, Kolar Gold Fields also.

Order No. 880-3/ CB-178-28-2

Dated Bangalore, the 4-19 1929

In the Government Order of 18th July 1922

read above, the local allowances that were being drawn by the several gazetted officers on the Kolar Gold Fields were ~~ordered to be abolished~~ on the recommendation of the ordered to be abolished Special Finance Committee, on the ground that the cost of living in this area was not more expensive than in many other parts of the State. As a result of this general order the allowances of Rs.150/- and Rs.100/-, which were till then attached to the posts of Special Magistrate and Special Superintendent of Police respectivel were withdrawn.

2. The Inspector General of Police and the Deputy Commissioner Kolar Gold Fields now urge some special grounds for the grant of allowances to these two officers. The Fields are scattered over a wide area and the Superintendent of Police has to move about for nearly 30 miles a day and maintain a car to do this work efficiently but cannot draw any travelling allowance as the journeys are treated as performed at the Headquarter itself. The Special Magistrate has been entrusted with additional duties as Vice-President of the Sanitary Board and Income-tax Officer. The Sanitary Board includes 84 villages within its area and the Special Magistrate also has a considerable amount of inspection work to do and has to maintain a car, but cannot get any travelling allowance in most cases as the majority of the villages are within the five-mile radius.

3. In view of the foregoing circumstances, Government are pleased to direct that both the Special Magistrate and the Superintendent of Police on the Kolar Gold Fields be given a local allowance of Rs.50/- each.

4. In this connection, Government also direct that the allowance of Rs.150/- now granted to the Superintendent of Police, Bangalore City and Taluk, be ~~also~~ reduced to Rs.100/- per mensem. This Reduction will come into force in a change of incumbents.
